

TRAINING SCHEDULE - STATE LEAGUE AND DIVISIONS

Times listed below include set-up and pack-down time. The team training in the earlier time-slot will be responsible for changing the height of the net (if required), and preparing the court in accordance with Reds COVID Protocols. Reds asks all athletes to actively contribute to the efficient set-up and pack-down of courts to ensure that the length of training can be maximised. Please refer to the Reds Training Protocol on the Player Portal for more information regarding trainings.
